BEFORE YOU GO

There is a wifi network in the public areas that will allow guests to connect to the internet. There is no charge but the bandwidth is limited but sufficient to collect emails. This is the best connection we can obtain and it does depend on 2 microwave links, lightning strikes and the vagaries of Indonesian ISPs.

The voltage on the island is 240V and power is available 24 hours per day. The electrical sockets are the three square pin type commonly found in Singapore and the UK.

Other

Nikoi is truly a **private island** so there are no other restaurants, villages or shops on the island. We do not sell cigarettes, toiletries etc. We do sell some Nikoi merchandise and souvenirs etc. Massages can be arranged at the cost of S\$60.00++ for 50 minutes. Included in the board daily board rate is free use of sailing boats (lasers), kayaks, windsurfers and snorkelling equipment. More advanced equipment is available for rent.

Diving can be arranged and we have a resident dive master who can act as a guide. We do not offer dive courses but can provide equipment to suitably qualified divers.

Payment for the balance of your stay, including board and any incidentals needs to be made before you depart Nikoi. We accept Amex, Visa and MasterCard and S\$ cash. Whilst our prices are all in S\$, by law all credit card charges must be made in Indonesian Rupiah. We use the bank rate and do not add any margin. We are also obliged to charge tax (10%) and service (10%) “++” to your bill. You should not need any Rupiah unless you wish to purchase something at the Bintan ferry terminal.

Baby cots, high chairs and booster seats are all available on the island. Do let us know if you will need a cot. Babysitting can also be arranged. Baby car seats can be provided for the car journey.

A small iPod/radio speaker system is provided in each house. There are no TVs or phones in the

houses although satellite TV (Indovision) can be made available on a large screen for major sporting events. At night we screen classic movies on a large cinema screen.

We have established a foundation on Bintan that has set up seven learning centres for the local children. We run daily English and IT lessons for over 500 children. If you have any children's books (ie <10yo) you would like to donate then please bring them with you and pass them to our Manager when you arrive. Please no books with religious stories or themes.

If you miss your ferry or urgently need to contact our staff please call +65 31582119 or +62 811 7008040 or skype: nikoisland.

Have a wonderful stay on Nikoi!
