HONEYMOON PACKAGE

Nikoi Island is a private island just 85 kilometers from Singapore and has quickly become a popular destination for honeymooners. With just 15 beachfront two-storey beach houses generously spaced out over a 5 hectare site, privacy is guaranteed. The remaining 10 hectares have been reserved as a sanctuary to ensure that the environmental impact is minimal and that there are plenty of secluded and tranquil places to explore.

Handcrafted from driftwood with vernacular 'alang alang' grass roofs, our stilted one beach houses incorporate spacious upstairs bedrooms, en-suite bathrooms and balconies to maximise water views and catch cooling sea breezes. The one-bedroom beach houses are approximately 100sqm and have their own covered lounge area complete with day beds, bale and on request an icebox and well stocked bar.

Interiors introduce you to barefoot luxury at it's very best. With vaulted ceilings, electric fans and king sized beds resplendent in luxurious white cotton sheets draped with generous mosquito nets. Ensuite bathrooms have modern fittings

set amongst natural stone and wood. Each beach house has an iPod speaker system. Whilst free of televisions, telephones, computers and fax machines, there is excellent mobile phone reception should you wish to remain in contact with the outside world.

Meals can be enjoyed in the privacy of your own beach house, the clubhouse restaurant or under a shady tree on the beach. And for those seeking total seclusion, a day trip can be organised to one of the nearby deserted islands. The fixed menu will change daily according to the seasonality of ingredients from the local markets on Bintan. The emphasis is on fresh ingredients and simple cooking. Barbequed seafood, local specialities and tropical fruits feature prominently on the menu. A reasonably priced selection of beer, wine, spirits and soft drinks is available. Our head barman is famous for his piña coladas and margaritas and for any wannabe sailors we have an excellent selection of aged Caribbean Rums.

service for 2 persons plus a 50 minute massage for each of you and a romantic dinner on the beach with a complimentary bottle of sparkling.
